

**A. 3M 8000 COMFORT MASK**

The 8000 is a non-NIOSH approved dust mask for protection from everyday nuisance particles. Packaged 50 per box.

|                       | Catalog # | Box Price |
|-----------------------|-----------|-----------|
| 3M 8000 Nuisance Mask | R31-001   | \$9.90    |

**B. 3M 8210 / 8511 DISPOSABLE N95 DUST MASK RESPIRATORS**

The 8210 / 8511 N95 NIOSH-approved disposable respirators are cup-shaped and protect against non-oil particulate. The 8511 has an exhalation valve for cooler breathing.

|   | Catalog # | Box Price |
|---|-----------|-----------|
| 3M 8210N95 Disposable Respirator (20 / box) | R31-002   | \$15.10   |
| 3M 8511N95 Disposable Respirator (10 / box) | R31-0011  | \$16.90   |

**C. 3M 9210 / 9211 DISPOSABLE N95 DUST MASK RESPIRATORS**

The 9210 / 9211 N95 NIOSH-approved disposable respirators have a flat-fold design, individually wrapped and protect against non-oil particulate. The 9211 has an exhalation valve for cooler breathing.

|   | Catalog # | Box Price |
|---|-----------|-----------|
| 3M 9210N95 Disposable Respirator (20 / box) | R31-131   | \$19.10   |
| 3M 9211N95 Disposable Respirator (10 / box) | R31-124   | \$19.10   |

**D. 3M DISPOSABLE PARTICULATE DUST MASK RESPIRATOR**

These disposable particulate dust mask respirators have an exhalation valve for cooler breathing and are ideal for a variety of workplace environments. The 8271P95 can be used for grinding, sanding and sawing in oil and non-oil environments. The 8233N100 is ideal for exposures to OSHA substance specific particulate like cadmium, lead and arsenic in non-oil environments.

|  | Catalog # | Box Price |
|--|-----------|-----------|
| 3M 8271P95 Dust Mask Respirator (10 / box)   | R31-078   | \$ 23.20  |
| 3M 8233N100 Dust Mask Respirator (20 / case) | R31-130   | \$ 135.80 |

**E. 3M DISPOSABLE DUST MASK RESPIRATORS with NUISANCE VAPOR RELIEF**

These NIOSH-approved disposable particulate respirators have a cup-shaped design and come with additional nuisance relief for specific chemical contaminants. The 8576 and 8212 come with an exhalation valve for cooler breathing.

|  | Catalog # | Box Price |
|--|-----------|-----------|
| 3M 8247R95 - Organic Vapor Relief (3/box)      | R31-006   | \$52.10   |
| 3M 8246R95 - Acid Gas Relief (20/box)          | R31-007   | \$54.60   |
| 3M 8576P95 - Acid Gas Relief w/ valve (10/box) | R31-008   | \$31.50   |
| 3M 8212N95 - Welding Fumes w/ valve (10/box)   | R31-009   | \$47.50   |

RESPIRATORY

**A. 3M 7000 SERIES REUSABLE, DUAL CARTRIDGE, HALF-MASK, AIR-PURIFYING RESPIRATOR**

*This silicone, half-mask, air-purifying respirator is made with a four-piece strap system that keeps the facemask fully secured to the wearer's face. The 7000 series also features larger inhalation and exhalation for easier breathing. Used in conjunction with N95, P95 or P100 filters and/or chemical cartridges.*

|                   | Small   | Medium  | Large   | Each Price |
|-------------------|---------|---------|---------|------------|
| 3M 7000 Half-Mask | R31-015 | R31-014 | R31-013 | \$23.50    |

**B. 3M 6000 SERIES REUSABLE, DUAL CARTRIDGE, HALF-MASK, AIR-PURIFYING RESPIRATOR**

*This cost-effective, low maintenance, half-mask, air-purifying respirator is made of elastomeric rubber that is remarkably lightweight and comfortable to wear. Used in conjunction with N95, P95 or P100 filters and/or chemical cartridges.*

|                   | Small   | Medium  | Large   | Each Price |
|-------------------|---------|---------|---------|------------|
| 3M 6000 Half-Mask | R31-018 | R31-017 | R31-016 | \$9.40     |

**C. 3M 5000 SERIES DISPOSABLE, DUAL CARTRIDGE, HALF-MASK, AIR-PURIFYING RESPIRATOR w/ CARTRIDGES**

*A rubber half-mask respirator that comes pre-assembled with cartridges and/or particulate filters permanently attached. Each respirator is lightweight and well-balanced for greater worker comfort.*

|                              | Small    | Medium  | Large   | Each Price |

**A**

**A. NORTH EMERGENCY ESCAPE BREATHING APPARATUS (EEBA)**

*This full line of escape respirators can be the difference in a real emergency. Available in 5-minute and 10-minute airflow models, these units come with a transparent hood for superior visibility and a lightweight cylinder that is DOT-approved and refillable.*

|   | Catalog # | Each Price |
|---|-----------|------------|
| 5 – Minute EEBA (42 LPM avg.) (pictured)  | RN1-217   | \$357.20   |
| 5 – Minute EEBA – high flow (75 LPM avg.) | RN1-219   | \$412.10   |
| 10 – Minute EEBA (42 LPM avg.)            | RN1-218   | \$404.60   |

**B**

**B. NORTH 30-MINUTE, LOW PRESSURE, SELF-CONTAINED BREATHING APPARATUS (SCBA)**

*The SCBA provides the wearer with the highest level of portable, respiratory protection and comes with the air cylinder, full facepiece with speaking diaphragm, luminous pressure gauge, harness and backplate. Also available in an NFPA-compliant model with a Kevlar harness for superior heat and flame resistance.*

|  | Full Facepiece |         | Each Price |
|--|----------------|---------|------------|
|  | Small          | M / L   |            |
| Kevlar Harness w/ aluminum cylinder (NFPA complaint) | RN1-221        | RN1-220 | \$1,961.30 |
| Nylon Harness w/ aluminum cylinder                   | RN1-223        | RN1-222 | \$1,935.30 |
| Kevlar Harness w/ hoop cylinder (NFPA complaint)     | RN1-225        | RN1-224 | \$2,042.20 |
| Nylon Harness w/ hoop cylinder                       | RN1-227        | RN1-226 | \$2,016.30 |
| Kevlar Harness w/ full cylinder (NFPA complaint)     | RN1-229        | RN1-228 | \$2,336.80 |
| Nylon Harness w/ full cylinder                       | RN1-231        | RN1-230 | \$2,310.80 |

**C**

**C. NORTH 30-MINUTE, HIGH PRESSURE SELF-CONTAINED BREATHING APPARATUS (SCBA)**

*These SCBA's have the same great features as above but in a 30-minute, high-pressure design.*

|  | Full Facepiece |         | Each Price |
|--|----------------|---------|------------|
|  | Small          | M / L   |            |
| Kevlar Harness w/ hoop cylinder (NFPA complaint) | RN1-223        | RN1-232 | \$2,181.10 |
| Nylon Harness w/ hoop cylinder                   | RN1-235        | RN1-234 | \$2,155.10 |

**A. NORTH 60-MINUTE, HIGH PRESSURE, SELF-CONTAINED BREATHING APPARATUS (SCBA)**

These SCBA's have the same great features as above but in a 60-minute, high-pressure design.

|  | Full Facepiece |         | Each Price |
|--|----------------|---------|------------|
|  | Small          | M / L   |            |
| Kevlar Harness w/ full cylinder (NFPA complaint) | RN1-237        | RN1-236 | \$2,799.20 |
| Nylon Harness w/ full cylinder                   | RN1-239        | RN1-238 | \$2,777.80 |

**B. NORTH SCBA ACCESSORIES**

These cylinders and accessories are an asset to any workplace that uses North SCBA respirator.

|  | Catalog # | Each Price |
|--|-----------|------------|
| 30-Minute, low-pressure aluminum cylinder (2216 psi) (pictured)    | RN1-240   | \$424.30   |
| 30-Minute, low-pressure aluminum/hoop wrapped cylinder (2216 psi)  | RN1-241   | \$496.10   |
| 30-Minute, high-pressure aluminum/hoop wrapped cylinder (4500 psi) | RN1-242   | \$519.00   |
| 30-Minute, high-pressure aluminum/full wrapped cylinder (4500 psi) | RN1-243   | \$706.70   |
| 60-Minute, high pressure aluminum/full wrapped cylinder (4500 psi) | RN1-244   | \$1,161.60 |

|                                  | Hansen  | Schrader | Snap-Tite | Each Price |
|----------------------------------|---------|----------|-----------|------------|
| Pass-Through Fitting w/ coupler  | RN1-245 | RN1-246  | RN1-247   | \$327.00   |
| Portable Air Cart (no cylinders) | RN1-248 | RN1-249  | RN1-250   | \$3,563.90 |

**C. NORTH RESPIRATOR ACCESSORIES**
